Programme Report

Internal Quality Assurance Cell and organized one day workshop on Professional Ethics: Why and How Faculty & Staff Awareness Programme on 4th august 2022 from 11.00 pm to 1.00 pm in the college ICT hall. Principal, Dr. R.S.Salunkhe was the chairperson of the workshop. There were approximately 98 faculty members who attended the seminar. The opening remark was given by Dr.P.M.Patil where he introduced the Speaker, Mr.Amit Yelgi.

The objective of the Workshop was basically to ensure that Faculty & Staff develops critical thinking skills that will help them to recognize potential ethical dilemmas. This workshop was conducted to draw the attention of all towards the problems and challenges that are there in front of us at the levels of individual, family, society and nature. This workshop is mainly to increase ethical knowledge and improve ethical thinking. The 2 hours period was very interactive and aroused key enthusiasm among Faculty & Staff. The speaker started with:

- A layman's perspective on personal and professional ethics
- Why am I (Mr. Amit Yelgi) qualified to give this seminar?
- What is Ethics?
- Why do I need any ethic?
- Professional Ethics-

Further, the speaker took over the session and started off by diving right into the topic 'A layman's perspective on personal and professional ethics.' He emphasized that professional ethics are an extension of personal ethics. Then he spoke about 'what is ethics?' and 'Why do I need any ethic in my life?'. He then described the two types of ethics: 1. Taking tough calls and decisions 2. Deciding right or wrong He explained these types by using the world war and triage as an example where work ethics come in to play.

He explained many Decision-Making Principles and provided an example from his own life in which he was faced with a choice over the publication of his project's data points. He also defined Professional Ethics and enumerated many Professional Dilemmas, as well as providing a few examples of Professional Ethics. He also posed questions such as "Is lying ethical in your standards?" and "Have you plagiarized in the previous several years?" among others. At the end of the session, everyone turned on their cameras and took a group photo. Mr. Sandip Patil gave our speaker a vote of gratitude and useful input on this information-packed webinar, and the workshop was ended on this note. The staff and faculty members had a better grasp of Professional Ethics and how to cope with ethical challenges as a result of this session.
